CHAPTER 228

An act to amend, repeal, and add Sections 53601.8 and 53635.8 of the Government Code, relating to local government.

[Approved by Governor September 6, 2013. Filed with
Secretary of State September 6, 2013.]

LEGISLATIVE COUNSEL'S DIGEST

AB 279, Dickinson. Financial affairs.

Existing law prescribes the instruments in, and criteria by which, a local agency, as defined, may invest and deposit its funds, including its surplus funds. Existing law authorizes a local agency to invest in certificates of deposit provided that they do not exceed 30% of the agency's funds that may be invested for this purpose, as specified.

This bill would, until January 1, 2017, remove the term "certificates of deposit" and instead authorize a local agency to invest in deposits, as specified, and limit the amount of its funds that an agency may place with any one private sector entity that assists in the placement of deposits with one or more commercial banks, savings banks, savings and loan associations, or credit unions that are located in the United States. The bill would prescribe requirements for the financial institutions that a private sector entity is authorized to use.

The people of the State of California do enact as follows:

SECTION 1. Section 53601.8 of the Government Code is amended to read:

53601.8. Notwithstanding Section 53601 or any other provision of this code, a local agency that has the authority under law to invest funds, at its discretion, may invest a portion of its surplus funds in deposits at a commercial bank, savings bank, savings and loan association, or credit union that uses a private sector entity that assists in the placement of deposits. The following conditions shall apply:

(a) The local agency shall choose a nationally or state chartered commercial bank, savings bank, savings and loan association, or credit union in this state to invest the funds, which shall be known as the "selected" depository institution.

(b) The selected depository institution may use a private sector entity to help place local agency deposits with one or more commercial banks, savings banks, savings and loan associations, or credit unions that are located in the

United States and are within the network used by the private sector entity for this purpose.

(c) Any private sector entity used by a selected depository institution to help place its local agency deposits shall maintain policies and procedures requiring both of the following:

(1) The full amount of each deposit placed pursuant to subdivision (b) and the interest that may accrue on each such deposit shall at all times be insured by the Federal Deposit Insurance Corporation or the National Credit Union Administration.

(2) Every depository institution where funds are placed shall be capitalized at a level that is sufficient, and be otherwise eligible, to receive such deposits pursuant to regulations of the Federal Deposit Insurance Corporation or the National Credit Union Administration, as applicable.

(d) The selected depository institution shall serve as a custodian for each such deposit.

(e) On the same date that the local agency's funds are placed pursuant to subdivision (b) by the private sector entity, the selected depository institution shall receive an amount of insured deposits from other financial institutions that, in total, are equal to, or greater than, the full amount of the principal that the local agency initially deposited through the selected depository institution pursuant to subdivision (b).

(f) Notwithstanding subdivisions (a) to (e), inclusive, a credit union shall not act as a selected depository institution under this section or Section 53635.8 unless both of the following conditions are satisfied:

(1) The credit union offers federal depository insurance through the National Credit Union Administration.

(2) The credit union is in possession of written guidance or other written communication from the National Credit Union Administration authorizing participation of federally insured credit unions in one or more deposit placement services and affirming that the moneys held by those credit unions while participating in a deposit placement service will at all times be insured by the federal government.

(g) It is the intent of the Legislature that this section shall not restrict competition among private sector entities that provide placement services pursuant to this section.

(h) The deposits placed pursuant to this section and Section 53635.8 shall not, in total, exceed 30 percent of the agency's funds that may be invested for this purpose.

(i) Purchases of certificates of deposit pursuant to this section, Section 53635.8, and subdivision (i) of Section 53601 shall not, in total, exceed 30 percent of the agency's funds that may be invested for this purpose.

(j) Excluding purchases of certificates of deposit pursuant to this section, no more than 10 percent of the agency's funds that may be invested for this purpose may be submitted, pursuant to subdivision (b), to any one private sector entity that assists in the placement of deposits with one or more commercial banks, savings banks, savings and loan associations, or credit unions that are located in the United States, for the local agency's account.

(k) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.
